

Allied Experts – Qualified Plan Administration

Jennifer Keller, QKA - President

Jennifer is the President of KB Actuarial, Inc., formerly Lindsey Pension Corporation, and has over 17 years experience in the Qualified Plan industry. Prior to working with qualified plans, she was a licensed health insurance agent, selling health, dental, vision and group life insurance.

She began her career at Lindsey Pension Corporation in 1997 by selling retirement plans to small and medium sized businesses. After a short time, there became a need for a full time administrator and Jennifer was quickly promoted to fulfilling this responsibility. She was in charge of all 85 client accounts, and was fulfilling duties as a full time administrator, from data collection to compliance testing and preparation of tax returns.

In 1999 Jennifer was promoted to President of Lindsey Pension Corporation and has been managing the firm since. Jennifer is a member of the National Institute of Pension Administrators, (NIPA), and an affiliate member of the American Society of Pension Professionals and Actuaries, (ASPPA). She has earned her Qualified 401(k) Administrator designation, QKA, through ASPPA, and is currently a candidate for the Qualified Pension Administrator, QPA, designation.

Jennifer and her staff continually attend conferences and partners with other specialists which affords the knowledge to specialize in customized and creative plan design, administration and service.
